Hi Orlando,

We appreciate you looking into this and sending the SENASA directory.

Thank you for your and Cam's help and we'll take it from here!

-Rachel

Subject: RE: Trip to Argentina - Meeting notes

Hi Rachel,

We did a web search on SENASA and found the directory included below. We don't know if any of the staff listed speaks English. Anna should consider contacting the international coordinator (highlighted) first as he should speak English and share information about her visit and explore the possibility of meeting with someone at SENASA. I hope this helps.

Let us know if you have any questions.

Hi Cam and Orlando,

I hope all is well on your side of the river!

I'm just following up on this. Did the US Embassy in Argentina reply to your email regarding Anna Lowit's request for SENASA contact information?

Thank you for your help!

-Rachel

Hi Cam,

Anna is in Argentina the third week of September. Here is the draft agenda.

Flights:

Arrival on Tuesday Sep 17th, departure on Friday Sep 20th.

Sep 18th – Meetings with our Regulatory Agency

Anna will arrange meetings with our Regulatory Agency people.

Sep 19th – Plenary session at ATA Congress

The plenary session will be of 1 h + time for questions.

It will have simultaneous translation.

Proposed topics are:

- Background EPA, experience with risk assessment of chemicals and pesticides.
- Evolution of risk assessment criteria, modern risk assessment approach.
- EPA current methodology: systematic reviews, data quality criteria, waivers, digital tools, etc.

Sep 20th – Presentation for ILSI members

The presentation will be of 40 min + time for questions. It will be an informal meeting.

Proposed topics are: data quality, eligibility criteria for open literature, systematic review, examples.

Subject: RE: Trip to Argentina - Meeting notes

Hi Zoe,

Orlando is out of the office until next Wednesday. Could you or Rachel please remind me of the timing of Anna's visit? I can reach out to the Embassy but I think our POC there just changed and may not have the details. If it can wait until Orlando returns, it would be best. If not, please let me know and I'll follow up now.

Thanks,

Cam

Hello Orlando and Cam,

Following up to see if the Embassy had any suggestions as to any meetings that Anna should be having. Also, is there a specific SENASA contact the embassy would prefer that we work with? I am looping in Rachel as she will be taking the lead on helping Anna coordinate as needed. Any help from OITA or from the embassy in the coordination would be appreciated.

Thank you,
Zoe

Anna,
Thanks you and Zoe for sharing the information.

I will email the Embassy in Buenos Aires to alert them about your visit. As you may know, there is not an EPA-Argentina bilateral agreement that would provide a programmatic framework for collaboration. In absence of that, I will notify the Embassy of your visit and meeting(s) you plan to have with SENASA (National Service of Agri-Food Health and Quality) officials while in-country.

Regarding the meetings with SENASA on Sept. 18th you can coordinate directly with them. The Embassy may suggest other meetings if they think it would be useful and if your schedule allows it.

Please let me know if you have any questions.

Regards,

From: Lowit, Anna

THIS EMAIL IS PROPERTY OF CORTEVA.

Anna,

Thanks again for joining us. Please receive the notes of our meeting.

Flights:

Arrival on Tuesday Sep 17th, departure on Friday Sep 20th.

Sep 18th – Meetings with our Regulatory Agency

Anna will arrange meetings with our Regulatory Agency people.

Sep 19th – Plenary session at ATA Congress

The plenary session will be of 1 h + time for questions.

It will have simultaneous translation.

Proposed topics are:

- Background EPA, experience with risk assessment of chemicals and pesticides.
- Evolution of risk assessment criteria, modern risk assessment approach.
- EPA current methodology: systematic reviews, data quality criteria, waivers, digital tools, etc.

Sep 20th – Presentation for ILSI members

The presentation will be of 40 min + time for questions. It will be an informal meeting.

Proposed topics are: data quality, eligibility criteria for open literature, systematic review, examples.

Anna will send the slides in advance so our translators can be familiar with the terminology of the presentations.

Best regards.
